Certificate of Constancy of Performance

1333 – CPR – 00194

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product:

Ground granulated blast furnace slag

characterised as

**a type II addition intended for use in the production of concrete,
mortar, grout and related products**

produced by the manufacturer

Francis Flower (Northern) Ltd

The White House, Gurney Slade, Nr Radstock, Somerset BA3 4UU

in the manufacturing plant at

**Scunthorpe Works, Brigg Road, Scunthorpe,
North Lincolnshire DN16 1AW**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in Annex ZA of the standard:

EN 15167-1:2006

under system 1+ are applied and that

the product fulfils all the prescribed requirements set out above.

This certificate was first issued on 1 August 2015 and remains valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.
